Emergency Procedures

Colored flags will be located at each water station and at the finish line area to alert runners to changing course and weather conditions. In cases of emergency, please follow the instructions below. In rare instances, it may be necessary to either close the race course or re-route participants. If this occurs, it is being done for the safety of the participants and volunteers.

ALERT LEVEL	EVENT CONDITIONS	RECOMMENDED ACTIONS
Extreme - Black Flag	Event canceled. Extreme and dangerous conditions or course emergency.	Extreme conditions: Participation stopped / Seek shelter immediately Course emergency: Follow directions from public safety officials, race staff and volunteers.
High - Red Flag	Dangerous conditions	The race is stopped. Finish times will not be published and no awards are given after a red flag. Runners should go to the nearest water station for shuttle transfer to the finish line.
Moderate - Yellow Flag	Less than ideal conditions	Slow down / drink plenty of water.
Low - Green Flag	Good conditions	Enjoy the event / Be alert

There is a medical tent located near the finish line on Mifflin St. There will be ambulances and medical personnel at the start line, finish line and along the course.
